In pursuance of two orders from His Excellency Sir Guy Carleton, K. B., General & Commander in Chief of His Majesty's Forces, from Nova Scotia to West Florida inclusive, both dated Head Quarters, New York, the one the fifteenth day of April and the other the Twenty second day of May Seventeen hundred and Eighty three years, we whose names are hereunto subscribed do certify that we did carefully inspect the foregoing vessels on the thirtyeth day of November one thousand Seven Hundred & eighty three years, And that on board the said vessels we found the Negroes mentioned in the foregoing list, amounting to one Hundred and Forty two men, Ninety women and fifty four Children, And to the best of our Judgement believe them to be all the Negroes on board the said Vessels, And we enquired of the Master of each Vesse], whether he had any records, Deeds, or Archives, or papers, or other property of the Citizens of the United States on board and to each enquiry we were answered in the negative. And we further certify that we furnished each Master of a vessel, with a Certified List of the Negroes on board the vessel, And informed him that he would not be permitted to Land in Nova Scotia any other Negroes, than those contained in the List, And that if any other Negroes were found on board the vessel, he would be severely punished. And that we informed the agent for Transports of this Matter And desired him to use means for returning back to the Port of New York all Negroes not mentioned in the Lists.

London, 19th Febr. 1784

William Armstrong & T. Gilfillan

No. 47, Inspection rolls of Negroes

Recapitulation of the number of Negroes who have availed themselves of the Late Commander in Chief's Proclamations by coming in with the British Lines in North America, which numbers distinguishing Men, Women and Children have been Inspected by the Commissioner appointed by His Excellency Sir Guy Carleton K.B. Commander in Chief, for that Purpose, on Board the Several Vessels in which they were Embarked previous to their Time of Sailing from the Port of New York in North America, between the 23rd April and the 30th November 1783 Both Days Inclusive.
